25/10/2018 -

Derek Watts 'Mog' Gabriel Richard Osmand Terry Keen Ash Goldney Colin Chapman

On the 25th of October, 6 young men (poetic licence is permissible) got together to celebrate the 70th Anniversary of having started at the School in September 1948. To have remained friends and still be prepared to lunch together after all this time pays tribute to the stoicism bred into us by MGS.

Our thanks to Derek Watts for organising this thoroughly enjoyable lunch.
